Nunda Youths Join In Work Program

During this past summer 143 Livingston County youths participated in the Summer Youth Employment Program.

This is a federally funded program under the Job Training Partnership Act where youths between the ages of 14 and 21 work at one of 41 public or private non-profit work sites in the county.

Livingston County, including the Nunda area, benefited from the employment program. Many local youths were provided with needed summer jobs which will help them prepare for future employment. The participants assisted the agencies where they worked with tasks which might otherwise have been uncompleted, county officials explain.

Keshequa Central School had

19 participants under the supervision of Jack Barnes and Richard Beardsley. These youths assisted the staff with the cleaning of desks and chairs, waxing and washing floors, and other tasks to ready the buildings and grounds for the coming school year. Mrs. Brenda Weaver and Mrs. Fran Ludwig supervised three youths in the various school offices.

Mrs. Yvonne Dietz and her staff at the Nunda Community Home supervised three participants who helped with the housekeeping duties.

At Letchworth State Park's South End, Gary Lamitina supervised five participants. These youths assisted the park staff with various maintenance activities including grounds clean-up and mowing.

Dairymen Get Milk Price Level

Area dairy farmers who supplied milk plants regulated under the New York-New Jersey marketing orders during August will be paid on the basis of a uniform price of \$12.44 per hundredweight or 26.8 cents per quart.

The price for the corresponding month last year was \$12.46. Market Administrator Thomas Wilson stated that the price was \$11.96 in July of 1987. The uniform price is a marketwide weighted average of the value of farm milk used for fluid and manufactured dairy products.

The seasonal incentive fund returned a total of \$3,320,972, or 35 cents per hundredweight, to the uniform price for August. This fund was generated by reducing the price paid to producers during the high-production spring months.

A total of 14,672 dairy farmers supplied the marketing area with 947,811,383 pounds of milk during August. This was a decrease of one percent from last year. The gross value to farmers for milk deliveries was \$118,036,915. This included differentials required to be paid to dairy farmers but not voluntary premiums or deductions authorized by the farmer.

Regulated milk dealers (handlers) used 369,845,401 pounds of milk for Class I, 39 percent of the total. This milk is used for fluid products such as homogenized, flavored, low test, and skim milks. For August, handlers paid \$13.62 per hundredweight (29.3 cents per quart) for Class I milk compared with \$13.55 a year ago.

The balance (577,965,982 pounds or 61 percent) was used to manufacture Class II products including butter, cheese, ice cream, and yogurt. Handlers paid \$11.37 per hundredweight for this milk.

The uniform price is based on milk containing 3.5 percent butterfat. For August, there was a price differential of 17 cents for each one-tenth of one percent that the milk tested above or below the standard.

Arts-Crafts Show Set at Letchworth

The three-day Columbus Day weekend coincides with an annual event in the Nunda area—the Letchworth Arts and Crafts Show and Sale in Letchworth State Park at the Highbanks Recreation area.

The event is set for Oct. 10, 11 and 12 from 11 a.m. to 5 p.m. each day. It has grown to become one of the largest such shows in Western New York and will feature more than 260 exhibitors, folk art demonstrations, performing arts and a variety of refreshments.

Word has been received here that Wilfred Elwell of the Town of Tonawanda died Sept. 14 at his home. He was the son of the late Maud (Hewitt) and Ernest Elwell. Wilfred was a veteran of World War II, serving in the Army's Signal Corps, and a member of American Legion Post 246 in Tonawanda.

He is survived by two sisters, Marjorie Totline of Portageville and Dorothy Ionello of Kenmore; a brother, Lawrence of Almond; three aunts, Marian G. Monahan of Gahanna, O.; Mildred Howe of Nunda and Edna Thompson; nieces and nephews. Interment will be at the convenience of the family in the Portageville Cemetery.

Mrs. Alma Tapp and Pearl Patterson went with the senior citizens on a trip to Corning Thursday.

Harold Clancy of Victor has been spending a few days at his home here.

Mr. and Mrs. Mead Cagwin of Warsaw were Wednesday supper guests of Mr. and Mrs. William Clancy.

MAN IN SPACE

On April 12, 1961, Soviet cosmonaut Yuri Alekseyevich Gagarin became the first human in space. During his 108-minute orbit of Earth in Vostok I, he attempted eating, drinking and writing. Gagarin died when his jet crashed during a training mission on March 27, 1968, little more than a year before Americans walked on the moon. (From the "Omni Space Almanac.")

in October when the Erie Railroad will be having steam engine excursion trains passing through the Hornell division towns including Dalton. Last year's Saturday and Sunday excursions drew large number of spectators and many splendid pictures were snapped.

Mr. and Mrs. Richard Isaman of Rochester were Sunday guests of his mother, Mrs. Francis Isaman. Mrs. Warren Bushart and daughters of Marion spent several days there last week.

The annual fall dinner at Garwoods Methodist Church will be Saturday, Oct. 10.

Mr. and Mrs. Alvin Moose of Canaseraga visited Mrs. Mildred Novell Sunday.

Mrs. Francis Isaman hosted the Canaseraga Grange tureen supper at her home recently.
